

European Network of (Ex-) Users and Survivors of Psychiatry

STRATEGIC PLAN 2017 - 2018

December 2016

European Network of (Ex-)Users and Survivors of Psychiatry (ENUSP) Vesterbrogade 103, 1.sal, 1620 Copenhagen V, Denmark E-mail: enusp.info@gmail.com Web: www.enusp.org

1. Organizational development

Tasks listed under the topic "Continuous and effective administration" represent elements of regular functioning and therefore are not included in the strategy 2017-2018. The same holds for the update of the website: regular update constitutes part of the functioning of the organization, therefore only necessary changes are mentioned. Some of the activities, listed in the previous strategy are reduced due to limited capacity and the necessity to focus on the most important aspects.
